# CERTIFICATE OF COMPLIANCE

## No. CZ/692/VI/2019

ISSUED ACCORDING TO THE PRODUCT CERTIFICATION PROGRAM NO. PCDW-01

NAME AND ADDRESS OF THE CERTIFICATE HOLDER:	<b>MAGNAPLAST Sp. z o.o., 68-213 Lipinki Łużyckie, Sieniawa Żarska 69, Poland</b>
MANUFACTURER NAME AND ADDRESS:	<b>MAGNAPLAST Sp. z o.o., 68-213 Lipinki Łużyckie, Sieniawa Żarska 69, Poland</b>
PRODUCT NAME:	<b>PVC-U pipe fittings for external drainage systems</b>
TYPE (VERSIONS):	<b>Pipe fittings, nominal diameter: DN 110 to 315 [mm]</b>
ICS CODE:	<b>93.030</b>
APPLICATION:	<b>For non-pressure underground drainage and sewerage installed beneath or outside of building structures.</b> <b>Application area symbol: "D"</b>
MAIN PARAMETERS:	<b>The remaining parameters are specified in the references listed on page 2 of the CoC.</b>
THE PRODUCT COMPLIES WITH THE REQUIREMENTS INCLUDED IN:	<b>PN-EN 1401:2019-07, "Plastics piping systems for non-pressure underground drainage and sewerage. Unplasticized poly(vinyl chloride) (PVC-U). Part 1: Specifications for pipes, fittings and the system"</b>
ACCORDING TO THE DOCUMENTATION AND EXAMINATION REPORTS:	<b>See the list on page 2 of the CoC.</b>

The Certificate is valid from **14 November 2019** to **13 November 2022** and applies only to the product items with the properties (parameters) identical to those of the model tested and compliant with the aforementioned requirements.

This Certificate does not include requirements of other potentially applicable regulations of law or standards apart from the ones listed above.

## No. CZ/692/VI/2019

### References for the issue of the Certificate:

#### 1. Documentation issued by the Supplier:

- 1.1. Operating Manual (catalogue) titled "Kanalizacja zewnętrzna KG" (External Drainage System KG) which includes information on the application, design engineering, storage and assembly with a package of drawings of PVC-U pipe fittings. Issued by "MAGNAPLAST" Sp. z o.o., 68-213 Lipinki Łużyckie, Sieniawa Żarska 69, Poland.
- 1.2. Technical documentation of the PVC-U drainage pipe fitting, type A. DT/01/16, dated July 2016. Developed by "MAGNAPLAST" Sp. z o.o., 68-213 Lipinki Łużyckie, Sieniawa Żarska 69, Poland.

#### 2. Documentation from the examination used for conformity assessment:

- 2.1. Test Report no. 132/19/SM1 "PN-EN 1401-1:2019-07 verification testing of KG system PVC-U pipe fittings". Główny Instytut Górnictwa w Katowicach, Zakład Inżynierii Materiałowej - Centralne Laboratorium Badań Rur z Tworzyw Sztucznych (Central Mining Institute in Katowice, Department of Material Engineering, Central Plastic Pipe Research Laboratory). Katowice, 17/09/2019

#### 3. Other documents used in the conformity assessment process:

- 3.1. Certificate of Conformity No. CZ/692/V/2016 issued on 15/07/2016 and for the product "PVC-U pipe fittings for external drainage systems, nominal diameter DN 110 to 315 mm", manufactured by MAGNAPLAST Sp. z o.o., 68-213 Lipinki Łużyckie, Sieniawa Żarska 69, Poland; issuer: Central Mining Institute Certification Body in Katowice, Poland.
